Discover the magic of Gratitude

Amazing things can transpire when we practice Gratitude to create a new reality with our connections - And when we connect to each other using Gratitude, the vibrational space goes much higher, and it is then, that anything can happen.

If you are open to offering your service or product to others, using processes of appreciation, we will strive to provide education, understanding, and the inspiration to shift your reality

An extraordinary network

Gratitude Power builds the network around the synergy of collective focus and shared experience through Gratitude. We show you how to elevate your life by practicing the process of appreciation as a business, project or individual using specific techniques and strategies. Being a part of the network is like finding a new family that will support and cheer you on as you create the life you desire.

Our network creates a community of collaboration and growth without competition. We show you how to create prosperity by stepping through the doorway of appreciation.

Receive a Gratitude Grant

Gratitude Grants are cash awards that the Gratitude Power Foundation gives to members in the network. One of our giving strategies is to recognize those who nurture and support our philosophy with their service and practice of gratitude. Gratitude Power believes that giving to those who uplift and nurture you will create more of the same in your life.

By being a part of the gratitude network we recognize you, your service and gratitude as an important part of healing the planet.

How it works:

Each month we will give a Gratitude Grant to someone in the network. There's no application process, no explaining why—We simply give. You decide how you choose to utilize the funds—it can be for any purpose you desire.

- Each *Gratitude Grant is based off the total membership for the month - As the network grows, the grants will grow.
- Members complete a gratitude card upon joining the network that goes into our Gratitude Bowl.
- We give 12 Gratitude Grants per year, by drawing a member's name from the Gratitude Bowl. (You must be an active member when your name is drawn.)
- Gratitude Grants will be awarded at our monthly Gratitude Power mixer, however – you need not be present to receive a grant. Our newsletter will also announce the recipient of the award each month.

*Gratitude Grants will begin after the first 100 members have joined the network.
